

Rally to Close Guantanamo and Give It Back to Cuba

**Saturday, February 24, 2018, 1:00 pm,
at Park Street Station**

February 23 is the 115th anniversary of the US seizure of Guantanamo from Cuba as a result of the provoked Spanish American war.

Join us, as part of this nation-wide protest, to lift your voice and express outrage about US possession of this land and what we have done with it.

Torture and indefinite detention have no place in the country we want to live in. Help bring justice for the prisoners and restore our reputation.

This rally is organized by the Committee for Peace and Human Rights; No Bases Coalition; United National Antiwar Coalition; United for Justice with Peace; Women's International League for Peace and Freedom, Boston branch; the July 26th Coalition; and Brookline PAX.
